

No Pay Until Tax Day

Offers customers the ability to get equipment in place now, with No Payments due until April 15th*

Our No Pay Until Tax Day program enables your customers to acquire the equipment they need today, without having to make a finance payment until April 15, 2020.*

Benefits to you...

- Close more sales
- Overcome budget objections
- Deferred payments is an attractive selling point to seal the deal

Give your customers another reason to say YES at the point of sale! Marlin's No Pay Until Tax Day program is an easy and affordable option that meets all of your customers purchasing needs.

**Each transaction must be credit approved to be eligible for this promotion.*
